The "Radio Card" must be detached and kept in a safe place - under no circumstances in the vehicle. Should the "Radio Card" with the code number be lost, please contact a Volkswagen dealer. They will be able to help you free of charge.

---

**Radio Card**

**Monsoon/Premium**

- **Serial Number**: VWZ4Z7A1023551
- **Code Number**: 1520

Place the self-adhesive labels for the serial number and code number in the appropriate boxes.
Please read this important information before reading the rest of your supplement.

Always keep this supplement with your other Owner’s Literature.
If you still have questions about LATCH or other features in your vehicle, please contact your authorized Volkswagen dealer or Volkswagen Customer Relations at 1-800 - 822 - 8987

**Vehicle Equipment**

This supplement describes all LATCH equipment intended to be offered at the time of printing.

**Illustrations**

Each illustration in this supplement shows a feature and/or equipment which your vehicle may or may not have, depending on the model. The illustrations are simply to show you how a feature looks and how it functions.

**WARNINGS**

⚠️ **WARNINGS**

concern safety and are highlighted like this throughout this supplement.

Texts printed in bold type refer to possible damage to your vehicle, or to other important information.

**Indication of directions**

Whenever a direction is specified (for example: left, right, forward, backward, etc.), you should imagine yourself as sitting in the vehicle facing in the driving direction. If something is explained which is different from this position, it will be clearly identified.

---

**Table of Content**

Welcome .................. 1
Tether strap ............... 4
Lower Anchorages .......... 5
Guide Fixtures for for Lower Anchorages .......... 7
Tether Anchors .......... 9
Installing a Child restraint using the LATCH system .... 12

⚠️ **WARNING**

Please be sure to read and heed the important information and WARNINGS about child safety and the installation of child restraints in the Owner’s Literature.
If you must use the vehicles safety belts to install a child restraint in your Volkswagen always refer to the Owner’s Literature which comes with your vehicle and follow the instructions provided by the manufacturer of your child restraint.
